

Sultana Inquiry Form
Fiscal Sponsorship

Foraker's fiscal sponsorship, Sultana, exists to support groups and projects in the preliminary stages of their development, offering opportunities to incubate ideas, employ staff, and provide the stability that funders need to make initial investments.

Understanding that not every new idea needs a new nonprofit and that not every nonprofit is ready to stand on its own, Sultana offers a supportive space for projects to germinate until they understand what long-term form, if any, they should take.

Sultana New Ventures LLC ("Sultana") is a separate LLC owned and operated by The Foraker Group. The Foraker Group is a 501(c)(3) organization with the core purpose of strengthening Alaska's nonprofit sector. Learn more here: <https://www.forakergroup.org/connect-to-services/fiscal-sponsorship/>
